

PATIENT PORTAL REGISTRATION

We invite you to log on to the new "Fleur Patient Portal". This web-based communication network allows patients and doctors to communicate easily, safely, and securely over the internet. Our Patient Portal uses leading edge technology to become an exceptionally safe tool of instant communication.

The Patient Portal offers you:

- 24 x 7 access to your medical information from the comfort and privacy of your own home or office.
- Easy access to view appointment information, lab results, send and receive messages to and from the doctor or nurse.
- Review prescriptions and request refills.
- Opportunity to update Medical History prior to your appointment through simple electronic questionnaires, allowing the provider to be informed and proactive at the time of the encounter.

Please provide us with your email address to create a private account for YOU to access these services.
